RMI Announces Executive Appointments to Senior Staff

Atlanta, GA – RMI, the largest independent provider of Transportation Management Software and comprehensive information services to the railroad industry, has announced new executive appointments to RMI's Senior Staff with the addition of Paul Pascutti, Vice President of Sales and the promotion of Kirk Knauff to Senior Vice President of Corporate Marketing and Services.

RMI Chairman and CEO Pete Kleifgen, said, "Both Kirk and Paul have demonstrated a consistent level of strategic leadership. Each has played a key role in RMI's rapid growth over the past twelve months, and I look forward to the integral role each will play in RMI's future."

Paul Pascutti joined RMI in 1987 and has held numerous positions in application development, customer support, sales and marketing, and research and development. Most recently, Paul served as Vice President of International Sales with responsibility for leading sales engagements outside of North America.

Kirk Knauff joined RMI in 2004 and has held numerous positions in marketing and services, most recently serving as Vice President of Marketing and Services where he was responsible for commercial strategy and services deployment.

About RMI

RMI is the largest independent provider of Transportation Management Software and comprehensive information services to railroad industry. Founded in 1979, RMI leverages in-depth knowledge of rail operations, intermodal terminal operating systems, and multi-modal transportation management to provide Software and Service and licensed solutions to railroads and industrial shippers. RMI's software is used to manage rail and intermodal operations, signal and communication assets, railcar repair billing and inventory, and multi-modal visibility, planning, and execution for industrial shippers and logistics service providers. RMI is a portfolio company of The Carlyle Group. For more information about RMI software and services please visit www.rmiondemand.com.
